

# September/October Wilcox-Hildreth Monthly Newsletter

## Pumpkin Patch Outing

On September 23rd the Wilcox-Hildreth FBLA members enjoyed an outing to Country Harvest Pumpkin Patch in Glenvil, NE. This was a fun bonding outing for Members. Everyone enjoyed the corn maze, obstacle course, moon bounce, hill slides, zip lines, homemade ice cream and much more! On the way home we even stopped at the Nielsen's Kid U-Pick Pumpkin Patch and picked our own pumpkins.

## Fall Leadership Conference

FBLA officers attended the Fall leadership conference in Kearney, NE at the Ramada Inn on September 26th, 2017. Officers began with an engaging keynote speaker and then were able to attend meetings to learn more about their current officer positions and what they can be doing for our chapter here at Wilcox.

FBLA members had a great time decorating their pumpkins at the next meeting with their own style!

## FBLA is Going Green

The Wilcox-Hildreth FBLA is promoting going green and we are hoping you all are willing to do the same and recycle. There are bottle and can recycling boxes around the school so please continue to recycle those cans and bottles and save our environment. This year members and classmates came up with some great inventions as they recycled old cds as well. Check out a few of these creative ideas below:
